

an international search consultancy
working exclusively in
media & entertainment

Mission

At Lumina, our goal is to create partnerships throughout the Media and Entertainment sectors in order to deliver outstanding search and consultancy services to all our clients and candidates.

We have over a decade of experience sourcing out the very best talent for a range of retained searches within the industry. Operating exclusively at the senior level and with our experience and industry knowledge, we are able to deliver to complex briefs.

Why Lumina?

- We operate globally in established and emerging media markets
- We have real experience of operating media business at a senior level
- We understand the fast-moving industry and the need to be nimble
- We have a vast network of international candidates and affiliate companies
- We offer corporate support of a full-service recruitment business

Our Searches

Lumina operates on an international scale, with noteworthy placements in North America, EMEA and the APAC regions. By using our international contacts and affiliates, we can offer a wide pool of candidates refined to your exact needs. The Lumina team understands the subtle differences between regions and ensures that the talent we pinpoint offers the right fit for both your business and location.

As a small and close-knit team, you will find us friendly and personable and we can provide additional flexibility if clients have different requirements and fee structure. We like a challenge.
